- Soundarya Arts & Commerce Evening College

Governing Council

"Education is the most powerful weapon which you can use to change the world."

- Nelson Mandela

I am delighted that you consider Soundarya Central School and look forward to meet you and your family as you begin the quest of finding the right school for your child. Schools' aspiration is students' success in their life. It offers a wide variety of challenges to enjoy and learn. It is our belief that schools should be the experience of a life time memories

We are proud of our continuous goal of providing an excellent education for our students. We have a dynamic, hardworking faculty who are involved in education to benefit the students.

Our students are our main focus and we believe that they carry our values out into the world on not leaving too much of a carbon footprint. Academic excellence with character and personality development is our ultimate goal.

I would like to thank all the parents who have reposed faith in our institution and the ideals it stands for. Let me assure you that your loved ones are in safe hands. Our staff understands the ethos of the school and help in guiding and encouraging the children and I am sure that the children will make both you and us proud.

Principal's Desk

I am extremely proud to lead a team that is committed to achieve high standards and provide the very best opportunities for the children. The Staff supported by Coordinators work hard to deliver a rich and challenging curriculum to prepare children for future education and to help them acquire the skills and enthusiasm needed to pursue learning for the rest of their lives.

We have created our own distinctive 'feel' which makes the school unique. We believe that the "feel good factor" is to do with our caring, friendly atmosphere. Our school ensures development of students by providing enriching experiences.

We encourage children to love sports, art and music and produce fantastic outcome. Our goal is to maintain academic standards, achieving high results and infuse value system and discipline among our students.

About us

Soundarya Central School

Soundarya Central School is a unit of SET which began its voyage in the year 2014. SCS is an English Medium co-educational day school affiliated to CBSE set in 6 acres green campus. The school offers admissions for Montessori to Grade XII. Our pedagogy, curriculum and infrastructure are carefully designed to develop life skills such as logical reasoning and creativity in all our students. The school strives to imbibe in students the determination, discover the treasure within, explore latent talents, develop their skills to accomplish desired goals and stand out in the challenging world.

Holistic Education

As Holistic approach towards teaching and learning is important for the physical, emotional, intellectual, creative, spiritual and social wellbeing of children to develop them as well rounded individuals, we lay emphasis on experiential and exploratory methods of learning. SCS Curriculum serves to optimise teaching and learning and facilitate children's holistic development and well being. SCS uses variety of teaching and learning strategies that challenge and motivate learners to excel. It focuses on nurturing knowledge and skills essential in 21st century.

Academics - Join as a Learner Leave as an Achiever

Pre-Primary Wing

"The goal of early childhood education should be to activate the child's own natural desire to learn."

- Dr. Maria Montessori

Our pre-primary curriculum is designed for the overall development of the child. Our aim is to nurture the learner in every child to develop a lifelong love for learning. We provide positive, enriching and safe learning experiences which happen with love, respect and fun. Shloka chanting, songs, stories, rhymes, yoga, art and craft are all part of the curriculum. Thematic events help children understand nutrition, cleanliness and hygiene, safety, cultural values and importance of festivals. Nature walks and educational field trips are opportunities for learning beyond classroom.

Montessori

The Montessori environment promotes cognitive development, physical coordination, social skills and emotional growth. High academic standards through hands-on activities are achieved in an atmosphere that fosters curiosity, freedom of choice, self-esteem, love, respect, independent thinking and personal responsibility.

Kindergarten

Kindergarten classrooms provide opportunities for active and collaborative learning. Concepts are introduced and reinforced using hands-on activities. Activities focus on literacy, numeracy, general knowledge, environmental science, practical life skills, communication skills, art and music. Through the use of carefully prepared materials, activities, communication with teachers and interaction with peers, children grow in personal independence, concentration and self-motivation.

Primary wing: Grade I to V

The primary school - Grade I to V sets the foundation for secondary classes. The confidence of students in language, mathematical ability, science is strengthened and the awareness of the world around them is enhanced. Their creativity, curiosity and sporting talent is encouraged through deliberated sessions by active & collaborative learning.

Secondary Wing: Grade VI to X

Middle school embarks on a lifelong task of establishing personal identity and acquiring social skills. Academically, they develop Higher Order Thinking and reasoning skills. Socially, peer group approval gains importance as they begin to develop their own values and make their own decisions. We offer our students a well-balanced programme that promotes physical activity and a healthy lifestyle as well as exposure to the arts and a stimulating academic environment.

The secondary Education which serves as a bridge between middle and college education is expected to prepare young people in the world of work and entry into higher education. The academic programme at SCS has been planned and compiled based on the structured, student centred and enquiry-based foundation laid during the primary years.

- Flexible, yet comprehensive curriculum with rigorous high standards.
- A unique approach to interdisciplinary learning using multiple instructional methods and teaching strategies.
- Community and global focus with an emphasis on intercultural understanding

Senior Secondary Wing Grade XI & XII

SCS is very glad to spread the joy of adding another feather to the glory of success. The Senior Secondary wing is ready to face the challenges of the world. We ferry them across holding their hands to the destination they choose.

Strong teaching pedagogy by the best subject experts with access to our state-of-the-art labs and campus facilities.

Stream Offered

SCIENCE

- PCMB - Physics, Chemistry, Mathematics, Biology
- PCMC - Physics, Chemistry, Mathematics, Computer Science
- PCPSYB - Physics, Chemistry, psychology, Biology

COMMERCE

- CEBA - Computer Science, Economics, Business Studies, Accountancy
- MEBA - Marketing, Economics, Business Studies, Accountancy
- EEBA - Entrepreneurship, Economics, Business Studies, Accountancy

SCS Develops

Language and Literary Skills

- Listening for information aesthetics
- Formal and Informal Speaking, Discussion & Debate
- Creative writing
- Enhanced Reading

Houses & Clubs

Open the door to build a healthy competitive spirit to explore academic life and career opportunities. The integration of work and study is the key element at SCS. Student will inculcate leadership and management skills as they participate in a variety of programs.

Clubs provide a platform to gain life skills

House system cultivates a healthy competitive spirit among students belonging to different houses

Competitions & Celebrations @SCS

SCS surely believes in upholding the innate talent among students. Celebrating festivals build a strong cultural belief in students. Competitions help to become more inquisitive, research independently and collaborate.

Beyond Academics

Trips initiate and accelerate the process of gaining knowledge through visuals, besides the classroom freedom. SCS emphasizes in organizing various educational visits and strives to help students in their overall development by exploring them to real life experience based learning.

Academic Exchange Programme

In this era of globalization, it is imperative to provide our students global exposure. Visits by foreign Nationals in the school and interaction with them will enable our students to understand global issues and academic practices.

Delegates from Bhutan-2018

Dutch Educators and Students from Netherland-2018

Swedish Jazz team along with two German delegates-2019

Panel discussion on sustainability and waste management.

Infrastructure @ SCS

Digital classrooms

TATA Class Edge provides innovative technology for learning solutions. Every classroom is equipped with digital multimedia interactive smart board.

Language Lab

A technological aid to improve pronunciation and communication.

Computer Lab

Well-designed computer lab for present and future needs.

Science Labs

The School has well equipped laboratories for Physics, Chemistry and Biology where students enjoy the freedom to experiment, analyze and create.

Library

A well-stocked library, fully classified and catalogued where children fall in love with books and reading becomes fun.

Ocarina

Conference hall

Every child is given ample opportunity for manifestation of his/her innate talents.

Quadrangle

A place where talents are enriched and progressed.
